## **REEL TRAILER**

### **CRT-372-T Reel Trailer**

The Sherman & Reilly Model CRT-372 Reel Trailer is ideal for transporting up to three 72" x 44" conductor reels. Each reel carrier is equipped with Sherman and Reilly's exclusive 16" diameter bronze ventilated disc and caliper assembly for maximum tension capabilities; take-up rewind optional. Hydraulic retriever optional.

Trailer constructed of high-strength steel tubing, continuously welded for rigidity and mounted on tandem axles with payload of 15,000 lbs. Adjustable front jack and rear leveling jacks are standard. All trailers equipped with adjustable pintle eye, safety chains, D.O.T. lighting. Other models available for one, two, or four reels. Units also available with bed rollers for underground.

***Other Reel Trailers also available.***
